

TABLE HOST INVITATION

The Arc of Loudoun's *Opportunities Breakfast* is a one-hour complimentary breakfast with a fast-paced program designed to raise funds and elevate the profile of The Arc of Loudoun's commitment to advocate for, educate, serve, and support people with disabilities and their families. Guests to the event are invited personally by a Table Host they already know. The Table Host is ideally someone that is familiar with the work of The Arc of Loudoun and able to speak personally to the unique impact we have in the local community. We hope to have a minimum of 10 Table Hosts at our breakfast on Thursday, May 14, 2026.

Why be a Table Host?

- You are a great friend and supporter of The Arc and are intimately aware of the need for the work we do each day.
- We need your help to reach people in our community who may not be familiar with The Arc of Loudoun or would like to learn more about who we are and how we provide a lifetime of opportunities for people with disabilities.

What does a Table Host do?

- Each Table Host agrees to fill a table of ten (10) people by personally inviting guests to join them for breakfast.
- The Table Host's role is only to invite others to attend. Hosts do not ask guests for a donation, but they should let guests know a request for contributions will be made at our breakfast. There is no obligation for guests to make a contribution, however.
- Don't worry, we have lots of tools to help you with the task of asking guests including templates, invitations and personal assistance if needed.
- Attend the breakfast and greet your guests.
- That's it, we do the rest!
